**“MANDORLA YOUTH ART AWARD 2010”**

**\$5 000 Acquisitive Award**

The Mandorla Centre of Inner Peace Inc. and St John of God Health Care invite emerging young artists (16-25 years) to submit an application for inclusion in the Mandorla Youth Art Award 2010. This award aims to encourage and recognise the potential and diverse talent of young Australian artists in the interpretation of Christian themes.

It is anticipated that this youth award will come to share the same esteem around Australia in which the major prize is held. It will be based on the same chosen theme drawn from Scripture, which selected artists are asked to interpret in a two-dimensional or three-dimensional format.

Application forms are available for download from [www.mandorlaart.com](http://www.mandorlaart.com). Please direct enquiries to the Curator: Camilla Loveridge, Mandorla Youth Art Award 2010, 2 Morgans St., Tuart Hill, WA 6060. **About Mandorla**

Since 1985 the Mandorla Centre of Inner Peace has established a high reputation for its national religious art exhibition held in Western Australia. Over the years it has attracted some of the finest artists of the country. For the first time this year, with the help of St John of God Health Care, it is offering a parallel challenge to young, aspiring artists to interpret in their own way the given biblical theme. Mandorla wants to encourage youthful artists to express a “new” vision of the place of Christianity in art. Thus it wants to broaden its outreach to embrace the younger generation, whose insights are often so invigorating and enthusiastic.
